

# A zebra

A

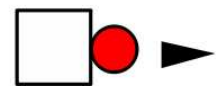

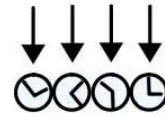

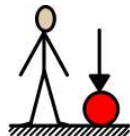

A

zebra

A

A

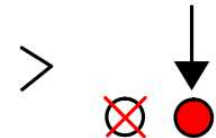

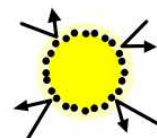

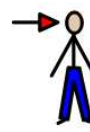

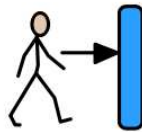

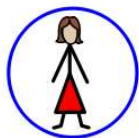

zebra

bebé

fica

sempre

perto da

mãe

zebra

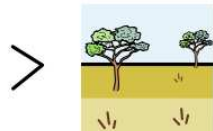

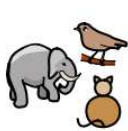

para

se

proteger

dos

outros

animais

da

savana

.

Quando

a

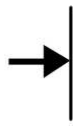

zebra

vai

beber

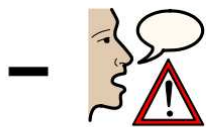

ao

rio

tem de

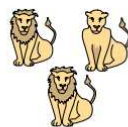

ter cuidado

com

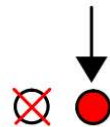

os

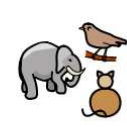

leões

e

outros

animais .

Quando

sente

o

odor

da

fêmea

zebra,

o

macho

levanta

o

lábio.

  
 O macho zebra luta com outros machos e

  
 mordem-se .
